

## Pulling It All Together

Don't miss the opportunity to enhance your bottom line for the next 25+ years by retrofitting your current canopies or installing a newly designed, ground-up solar canopy. Each project will vary in scope and detail, but you can be confident Day & Night Solar will handle everything needed to insure you have a successful solar power plant.

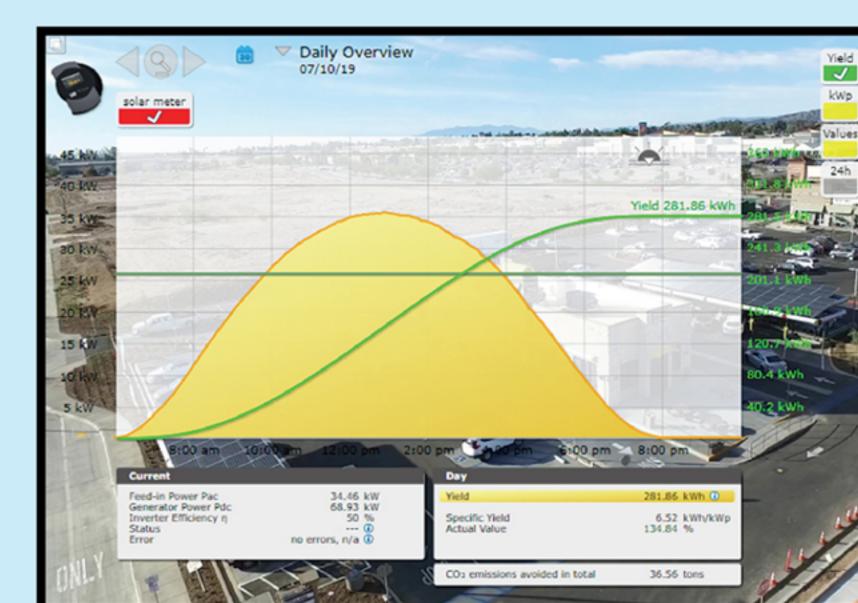

Super Sonic ROI, 2-3 year payback Great ROI, 4-5 year payback Strong ROI, 6-7 year payback

"We are bringing an environmentally friendly, eco conscious establishment to the area. If individuals are faced with a choice between Sonic and another franchise, we want them to know they can make a choice that supports their environment while meeting their immediate needs." said Clinton Wesselink, Coast to Coast Commercial, LLC - Beaumont, CA

"Being environmentally conscious and contributing to the increasing need for renewable energy were important drivers for investing in sustainable components for our new drive-in, but investing in this kind of technology isn't just the right thing to do – it's also good business," said Thomas Collins,
